NOTIFICATION

Subject: Mandatory Attendance and Disciplinary Action for Mass Bunking.

It is directed to inform you that mass bunking of classes is considered a serious act of indiscipline. Students found involved in mass bunking will face strict disciplinary action. Additionally, students involved in such activities will not be granted any relaxation in the attendance criteria in the future, regardless of the circumstances.

Please note that strict action will be taken against first-year students who participate in mass bunking or miss their classes on **21st August 2024** and **27th August 2024**. Attendance on these dates is **mandatory** for all first-year students.

Furthermore, all course instructors teaching first-year students are requested to ensure that attendance for the dates mentioned above is marked in the CUMS system on the same day. This will help identify students who did not attend their classes, and it will be assumed that such students were involved in the mass bunk.

We urge you to comply with these directives and maintain the discipline expected at University.

This issues with the approval of the Competent Authority.
